

SAAEE INTERNATIONAL

INTRODUCTION

We at **SAAEE INTERNATIONAL** belong to a renowned business family in India, which has over 50 years of experience in manufacturing and marketing of all types of Hand & Garage tools and which under the brand name of "**JHALANI TOOLS**" (erstwhile **Gedore Tools India**) had been the **World's Largest** manufacturer of Flat Wrenches.

At Saaee International, we have established Business relationships with leading quality & reliable manufacturers, for various types of engineering items. The items that we can supply are Hand Tools such as **Spanners (all types), Pliers, Wrenches, Pincers, Hammers, Vices, Pipe Tools, Garden Tools, Automotive Tools, Measuring Items, Construction Items, Tool Sets, Tool Kits** and other engineering items

We have selected these manufacturers on the basis of their knowhow and experience in manufacturing, their quality standards/parameters, financial stability, market reputation, capability to meet large and urgent orders and large customer base

We at Saaee International believe in the principle of "**Utmost Customer Satisfaction**" in terms of **Quality, Price & Delivery** & source with companies that have the necessary quality certifications for manufacturing such as ISO 9001, ISO 14001, "GS Approved (by TUV)" and other Quality Certifications
